### Application for Atlantique Permit

Dear Atlantique Boater:

Below you will find an application for a 2010 resident docking permit for Atlantique Beach Marina on Fire Island. Any outstanding dock fees owed from the past season will need to be paid before a permit is issued.

In an effort to ensure that the permits are issued correctly and efficiently, we will be processing them **by mail only**. You will not be able to obtain this permit in person at Brookwood Hall or Atlantique. In addition, there is a \$25 fee for the permit; the Senior Citizen/Handicapped fee is \$12.50. You may pay by check, Master Card or Visa.

**PERMITS ARE NON-TRANSFERABLE.** If you change your boat during the season, return the original decal and a new one will be issued at no additional charge.

Please return the completed application with a copy of your boat registration or US Coast Guard Documentation **and four (4)** additional proofs of residency. If your boat is documented with the US Coast Guard, we will need a copy of the documentation. We will accept any combination of the following for proof of residency: driver's license, property tax bill and utility bill (i.e., water, cable, electric, telephone, cell). Utility bills must be recently dated. Photocopies are acceptable.

**All proofs of residency, boat registration and documentation must be in the same name and address.**

Make your check payable to Town of Islip. To ensure delivery of your application to the correct person, please address your envelope as follows:
